<p><i>You may also propose new keyword(s) which you consider to be more relevant for the document. Please propose a maximum of 6 keywords and add only one keyword per line.</i></p> <p>Please note that the maximum number of selected and proposed keywords should be 10.</p>	Propose new keyword(s):
---	-------------------------

<p>Target group</p> <p>Please select from the below list at least one relevant target group category for the document that you are submitting.</p>	<p>Target groups: *</p> <p>Trainers and learners</p> <p>Trainers</p> <p>Learners / Health care providers</p> <p>Airport and crew staff Communication personnel Epidemiologists Laboratory personnel Public health managers Shippers and transporters Veterinarians</p> <p>Propose new Learners / Health care providers target group(s):</p>
<p>You may also propose new target group(s) that you feel would better apply to the document (one target group per line). Note that, in order to be able to submit a new target group, you must first assign the publication to at least one of the existing target group.</p>	<p>Propose new target group(s):</p>
<p>Copyright clearance *</p> <p><i>Please note that in order to submit a WHO document, clearance through the usual WHO clearance process is mandatory.</i></p>	<p>If the document you are submitting is a WHO publication, has it been cleared for publication?</p> <p>Yes No</p>
<p><i>Equally, if the document you are submitting is a non-WHO publication, you must have copyright clearance from the document's copyright owner or it must be in the public domain.</i></p>	<p>If the document you are submitting is a non-WHO publication, do you have clearance for its web publication?</p> <p>Yes No Public domain</p> <p>Please attach to this submission the file proving the copyright clearance.</p>
<p>Attach file</p> <p>Please attach the document file to your e-mail together with the completed form (max 30MB, PDF, Word, Excel file format).</p> <p>If the file is already available online, please provide the URL.</p>	<p>URL to file:</p>

Thank you very much for preparing this submission!
